August, 2020

Dear Friends,

Traditionally the High Holy Days are a time for giving. Tzedakah, or charity is, in Jewish tradition, a moral obligation. It is also often said that charity begins at or in the home. It is accepting responsibility for the well being of family and friends and something to be taught to our children.

Norwich Liberal Jewish Community

With this in mind, as we go forward with new spiritual leadership, we ask that you put NLJC top of the list when donating to this year's High Holy Days Appeal. Your contribution is vital to our ability to grow as a small but progressive force for Judaism in Norfolk and East Anglia.

The Norfolk Community Foundation

Closer to home, this year we are including The Norfolk Community Foundation's Covid-19 Community Response Fund.

The Norfolk Community Foundation works with local organisations whose priorities are:

- getting food to people who are isolated and in greatest need
- protecting our most vulnerable children while schools are closed
- helping people who have recently left hospital to recover at home
- supporting people with their mental wellbeing
- helping people who are struggling with debt

This has been, and continues to be, as I'm sure you'll all agree, an exceptional and difficult year for so many. Our hope is that you will give generously to the benefit of not just our own community, but also to the larger local community in which we live.
